**Convened:** 5:07 p.m.

**Adjourned:** 5:40 p.m.

Present: F. DeToma, D. Russell, K. Bedard, M. Aiken, and J. Carbin-Bryan

A representative of Palmer Paving has asked to place a self-contained trailer on Water Department property for the duration of paving Route 116 (from Gagne's corner to the Notch). State Inspectors will be using the trailer during the paving.

M. Aiken announced he is officially retired from the Fire Department.

The Water Commissioners discussed the meeting held last week between the Water and Fire Department staff. F. DeToma would like to have a meeting with the Prudential Committee to discuss working towards unity.

A discussion was had regarding the Treasurers position. The Water Commissioners feel they should have an equal vote in the appointment process for the position as half of the Treasurers salary is paid by them. F. DeToma suggested that the Water Commissioners attend the next Prudential Committee meeting to discuss this with them.

Respectfully submitted,

Joanne Carbin-Bryan  
Administrative Assistant
